

XXVI INTERNATIONAL COURSE
ON OSTEOARTICULAR
RECONSTRUCTIVE SURGERY

HIP SURGERY

Madrid

November 30th - December 1st
2023

Organizers

Ana Cruz Pardos - Head of the Hip Unit Section
La Paz University Hospital

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

GENERAL INFORMATION

VENUE

Rafaelhoteles Atocha
C. de Méndez Álvaro, 30
28045 Madrid
Tel. +34 914 68 81 00

SCIENTIFIC SECRETARY

Hospital Universitario La Paz.
Departamento de COT
Paseo de La Castellana, 261. 28046 Madrid
Tel. 34 91 727 70 85 Fax 34 91 727 70 35

TECHNICAL SECRETARY

Torres Pardo
Nàpols 187, 2º - 08013 Barcelona
Tel. 93 246 35 66
Yasmina Cantero - y.cantero@torrespardo.com
Laura Pascual - l.pascual@torrespardo.com

REGISTRATION FEES

Participants: 475 €
Trainees: 330 €
21% VAT included

Registration includes:
Attendance to scientific sessions, documentation,
certificate of attendance and coffee breaks.

Online registration:

www.cirugiareconstructivacadera.com

LANGUAGE

Spanish and English
Simultaneous translation available

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

SCIENTIFIC PROGRAM

THURSDAY, NOVEMBER 30th, 2023

08:30–09:00h Documentation

09:00–09:15h **Course Presentation**
Dra. A. Cruz Pardos

09:15–11:30h **FIRST ROUND TABLE: NEW TECHNOLOGIES - GENERAL TOPICS**

Chairmen: J. Cordero / T. Karachalios

09:15–09:30h The introduction of innovation in hip arthroplasty
F. Haddad

09:30–09:45h The perfectly cemented primary
N. Hailer

09:45–10:00h Bone-implant interface in total hip arthroplasty
R. Fernández

10:00–10:15h What is the best bearing Surface in THA?: Current evidence
L. Zagra

10:15–10:30h Cr-Co ion blood levels. What we know about them?
A. Cruz

10:35–10:45h Hip resurfacing: current evidence in 2023
D. Whitwell

10:45–11:15h Discussion

11:15–11:45h Coffee break

11:45–13:15h **SECOND ROUND TABLE: LONG- TERM RESULTS OF THA – RESULTS BASED IN REGISTERS**

Chairmen: E. García Rey / L. Zagra

11:45–12:00h Long-term results in primary THA
O. Rolfson

12:00–12:15h Short stems in National Registers
W. Schreurs

12:15–12:30h Acetabular cup R3: long-term results
P. Diaz Freire

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

SCIENTIFIC PROGRAM

- 12:30-12:45h Postraumatic THA: long- term results (proximal femoral fracture, acetabular fracture)
D. Whitwell
- 12:45-13:00h Uncemented femoral component with hidroxyapatite: results after two decades of use
J. Cordero
- 13:00-13:30h Discussion
- 13:30-14:30h Lunch
- 14:30-16:45h THIRD ROUND TABLE: THA IN YOUNG PATIENT**
Chairmen: A. Cruz / N. Hailer
- 14:30-14:45h THA in the young patients including PROMs
O. Rolfson
- 14:45-15:00h THA in young patients
W. Schreurs
- 15:00-15:15h Treatment strategies for congenital hip disease in adults
T. Karachalios
- 15:15-15:30h Acetabular reconstruction for congenital hip disease in adults
G. Rey
- 15:30-15:45h Use the modularity to treat the femoral deformity for congenital hip disease in adults
R. Fernández
- 15:45-16:00h Hip surgery in genetic skeletal disorders
Bizot
- 16:00 -16:30h Discussion
- 16:30-18:00h 1st CLINICAL CASES DISCUSSION: PRIMARY THA**
Chairmen: R. Fernández – F. Haddad
Case 1. *L. Zagra* (Video surgical technique)
Case 2. *A. Cruz*

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

SCIENTIFIC PROGRAM

FRIDAY DECEMBER 1st, 2023

09:00-11:00h **FOURTH ROUND TABLE: HOW TO APPROACH THE COMPLICATIONS IN THA**

Chairmen: J. Albareda / O. Rolfson

09:00-09:15h THA: failure models

T. Karachalios

09:15-09:30h How to approach the painful THA

P. Diaz Freire

09:30-09:45h Avoidance and management of limb length discrepancy

F. Haddad

09:45 -10:00h How to treat the intraoperative traumatic problems in THA

F. Marqués

10:00-10:15h How robotic can avoid the complications in THA: a fad or a future trend?

F. Thorey

10:15-10:45h Discussion

10:45-11:15h Coffee break

11:15-13:15h **FIFTH ROUND TABLE: DIFFICULTIES AND COMPLICATIONS OF THA**

Chairmen: E. García Rey / W. Schreurs

11:15-11:30h Simultaneous versus 2-stage bilateral THA

F. Thorey

11:30-11:45h Technique and long-term results of extended trochanteric femoral osteotomy

T. Karachalios

11:45-12:00h Periprosthetic infection: a patient centred approach

F. Haddad

12:00-12:15h Benefits of the one-stage revision in PJI

N. Hailer

12:15-12:30h Two-stage revision surgery in PJI: clinical, functional and radiological very long-term results

J. Cordero

12:30-13:00h Discussion

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

SCIENTIFIC PROGRAM

- 13:00–13:30h** **CONFERENCE**
**THE HISTORY AND STATUS OF ACETABULAR AND FEMORAL
BONE IMPACTION GRAFTING**
W. Schreurs
- 13:30–15:00h Lunch
- 15:00-17:00h** **SIXTH ROUND TABLE: ACETABULAR AND FEMORAL REVISION
SURGERY**
Chairmen: F. Marqués / F. Haddad
- 15:00-15:15h Outcomes of revision surgery including PROMs
O. Rolfson
- 15:15-15:30h How to manage the big defects in hip revision surgery
L. Jeys
- 15:45-16:00h Impaction bone grafting and trabecular augments in acetabular revision surgery
A. Cruz
- 16:00-16:15h The use of trabecular metal shells combined with dual mobility cups in complex
acetabular revisions
N. Hailer
- 16:15-16:30h The re-revision surgery
L. Jeys
- 16:30-16:45h Primary femoral components in revision surgery
L. Zagra
- 16:45-17:00h Cemented and uncemented femoral revision surgery
E. G. Rey
- 17:00- 17:30h Discussion
- 17:30-18:00h** **2nd CLINICAL CASES DISCUSSION: REVISION SURGERY**
Chairmen: A. Cruz – L. Zagra
Case 1. *F. Marqués*
Case 2. *J. Albareda*
- 18:30-18:40h End of session
A. Cruz / E. G. Rey

XXVI INTERNATIONAL COURSE ON OSTEOARTICULAR RECONSTRUCTIVE SURGERY

Madrid · November 30th - December 1st
2023

NATIONAL SPEAKERS

Jorge Albareda Albareda. *Hospital Clínico Universitario. Zaragoza*

Ana Cruz Pardos. *Hospital Universitario La Paz. Madrid*

Jose Cordero Ampuero. *Hospital Universitario de la Princesa. Madrid*

Pablo Díaz Freire. *Hospital Universitario La Paz. Madrid*

Ricardo Fernández Fernández. *Hospital Universitario La Paz*

Eduardo García Rey. *Hospital Universitario La Paz. Madrid*

Fernando Marqués Lopez. *Parc de Salut Mar. Barcelona*

INTERNATIONAL SPEAKERS

Pascal Bizot. *Hôpital Lariboisière, Paris. France*

Fares Haddad. *University College London Hospitals. UK*

Nils Hailer. *Uppsala Universitet. Sweden*

Lee Jeys. *Royal Orthopaedic Hospital, Birmingham. UK*

Theofilos Karachalios. *Universidad de Thessalia. Hospital de Larissa. Greece*

Ola Rolfson. *University of Gothenburg. Sweden*

Willem Schreurs. *Radboud University Medical Center, Nijmegen, The Netherlands*

Fritz Thorey. *ATOS Hospital Heidelberg. Germany*

Duncan Whitwell. *Nuffield Orthopaedic Centre and The Manor Hospital, Oxford. UK*

Luigi Zagra. *Istituto Ortopedico Galeazzi di Milano. Italy*

UNIDAD DE CADERA HOSPITAL LA PAZ

Ana Cruz Pardos - Pablo Díaz Freire - Ricardo Fernández Fernández - Elena Gálvez Sirvent -
Eduardo García Rey - Jesús Martínez Miranda - Rodrigo Merino Rueda - José Ortega Chamorro
